

REMARKS

Applicant respectfully request reconsideration of this application in view of the following remarks.

Claims 1-16, 18-19, 21-25, 55-60, 66-71 and 77-82 were rejected under 35 U.S.C. 112, first paragraph, for containing subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Without admitting the propriety of the rejection, Applicant cancels claims 1-16, 18-19, 21-25, 55-60, 66-71 and 77-82 as well as claims 50-54, 61-65 and 72-76, which were withdrawn from consideration. Thus, only allowed claims 26-49 are in the application.

The specification was objected to for a typographical error on line 27 of page 18 (“tit”) and for referring to Figure 6 in the specification while the drawings are labeled as Figure 6A and Figure 6B. The specification is amended to correct the typographical error and to refer to Figure 6A and Figure 6B instead of Figure 6.

The drawings were objected to for mislabeling arrow icon 33 with reference numeral 23 in Figure 6A. The replacement sheet corrects the error.

Thus, Applicant respectfully submits that the application is in condition for allowance.

Please charge any shortages or credit any overages to Deposit Account No. 02-2666.
Furthermore, if an extension is required, Applicant hereby requests such extension.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN
